HONORING ANGUS L. BRADSHAW AS A DISTINGUISHED LEADER
IN CENTRAL FLORIDA FOR PRIDE MONTH

HON. DARREN SOTO
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Friday, June 19, 2020

Angus L. Bradshaw is a thriving nonprofit leader serving Central Florida. A native of Central Florida, Mr. Bradshaw graduated with a bachelor's degree in Business Administration at Florida Agriculture & Mechanical University (FAMU) with the help of several scholarships. He began his love for community-oriented care after surviving childhood cancer himself. This experience led Mr. Bradshaw to involve himself in his community through routine volunteerism and philanthropy at the young age of 14.

Mr. Bradshaw has been supporting the mission of Miracle of Love, Inc. an HIV service organization in Orlando, FL. since 2002. He became its Executive Director in 2016 and is known for his constant smile and fun-loving, compassionate demeanor.

A revered leader in the organization and in the community, Mr. Bradshaw is equally known for his fierce focus on making the mission. He believes it is integral to do so with each employee and each client's self-respect, dignity, and morale intact.

Mr. Bradshaw is aware that passion is not always enough, and he continually places himself in the position of a student; learning and applying those lessons to improve services and outcomes for those under his leadership.

For this, he is valued by each of his team members and is seen as a community champion with upstanding repute. This has also given him expertise in many other areas; including social services, housing, and fundraising.

Angus serves on multiple municipal committees in the Orlando Metropolitan area. These include Vice-Chair of the Membership Committee for Ryan White Part A – Orlando EMA Health Services Planning Council; Executive Committee Member for the Housing Opportunity for People with AIDS Advisory Committee; Equality Florida Board Member; an Executive Planning Committee Member of SMART Ride, the second largest AIDS charity bicycle rides in the U.S.
